

The Mission of Hagee Ministries

Thank you for considering Hagee Ministries in your estate planning. Your legacy will make a difference in fulfilling the mission of this ministry to fulfill the commission that Jesus Christ gave to His followers to go into the world and make disciples of all people. Our purpose is to save the lost and build up and encourage those who are already believers and help them discover the difference that Christ can make in their lives. We pledge to take all the Gospel to all the world and to all generations.

Hagee Ministries is boldly proclaiming the truth of God's Word without compromise or apology to the nations of the world. We are committed to be the hands and feet of Jesus through various humanitarian projects in Israel, relief efforts, community service initiatives and world-wide Gospel rallies. We are also building a Sanctuary of Hope for unwed mothers and children to give them the hope in Christ that they desperately need. Technology is allowing us to reach people through social media. With offices in the United States, Canada and the United Kingdom, Hagee Ministries is able to address specific needs and minister the Gospel on a personal level.

We are dedicated to helping you discover trusted ways to plan for your future and leave a legacy to the people you love and the organizations in which you believe for generations to come.
